SUPER WINDSHIELD WASHER

TECHNICAL INFORMATION

DESCRIPTION AND APPLICATION

SUPER WINDSHIELD WASHER is a **MULTIFUNCTIONAL** liquid for direct use for cleaning and degreasing vehicle windshield. Designed with an innovative formula to repel water and a fresh lemon aroma.

PROPERTIES

- Effectively removes insects and organic debris embedded in the windshield (**ANTI-MOSQUITO** function).
- It delays the adhesion of dust and impurities, it contains surfactants with great detergent power that easily dissolve fats and oils.
- It has antifreeze power (-9°C) that guarantees its use in winter at low temperatures, while it can act as a windshield defroster.
- It has extraordinary cleaning power thanks to its low viscosity and surface tension, allowing excellent vision.
- Product developed to act as a **RAIN REPELLENT**, expelling water from the windshield when driving at a speed greater than 70 km/hour, allowing better visibility through the glass.

TYPE ANALYSIS

PARAMETERS	UNITS	VALUE
Appearance and color	-	Blue translucent liquid
Density at 20°C	g/cc	0,995
Pour point	°C	-9
pH	-	6-8

The characteristics mentioned represent typical values.

HOW TO USE

Empty the content of the container into the windshield washer reservoir.

STORAGE CONDITIONS AND EXPIRATION

Store containers between 5 and 35 °C, in a dry and well-ventilated place, away from heat sources and direct sunlight. Keep away from ignition points. Keep away from oxidizing agents and strongly acidic or alkaline materials. As general storage conditions, sources of heat, radiation, electricity and contact with food should be avoided.

Best before date: 2 years.
